World Pharmacist Day was celebrated on 25th September 2022. "Pharmacists: Your Medicine Experts" is the theme for this year. The objective of the event was to create awareness about safe medicine. International Pharmaceutical Federation (FIP) encourages pharmacists to use this day to organize activities that promote and advocate for the role of the pharmacist in improving health in every corner of the world. The theme of World Pharmacists Day emphasizes that pharmacists are a trusted source of knowledge and advice, not only for patients but for other healthcare professionals. For every patient who walks into a pharmacy, pharmacists ensure that the right medicine is provided at the right dose and in the most suitable formulation. Students were visited Pharmacist in Mandavgan pharata area for Pharmacy Survey about "Awareness Campaign on Safe Use of Medicines". They Request to Pharmacist not to sale Medicines without prescription. They also gave the information about banned drugs and its formulations. Pharmacist Rally for all B. Pharm students from college to Wagheshwar temple, Mandavgan pharata, Pune at 9.30 am to 10.30 am was arranged on that day.

INTERNATIONAL WOMEN'S DAY REPORT

Venue	Loknete shree Dadapatil pharate college of pharmacy, Mandavgan Pharata
Date	08/03/2023
Collaborating agency	LSDP With Savitribai Phule Pune University
No. of student participated	85
No. of Teaching Staff	07

1. The Theme for international women's day is "Balance for Better". This day was celebrated for Achieving a gender-equal world requires social innovations that work for both women and men and leave no one behind.

2. The International Women's day was celebrated on Friday, 08/03/2022 in auditorium all at 03.30 pm.

3. On occasion of international woman's day, Prof.Surekha Deshmukh was invited for delivered a lecture on topic on Woman Issue- Human Rights and Legal Perspective. There is the discussion about; Achievement and skill pointed out by woman nowadays make us consider that women and men are not differing much. It is seen by leadership and roles of women in various areas.

4. She told about, Achievement and skill pointed out by woman nowadays make us consider that women and men are not differing much. When time goes by, point of view toward women, from which women deserved to keep the house only and stayed at home all the time while men had to work outside to the current development when emancipation arises, makes women get equal rights to men. It is seen by leadership and roles of women in various areas.

5. International woman's day concluded with National Anthem.

FIELD VISIT REPORT ENVIRONMENT AWARENESS PROGRAMME.

Venue	Inamgaon , inamgaon river
Date	05/06/2022
Collaborating agency	LSDP with environmental action on sustainable development (EAST)
No. of student participated	109
No. of Teaching Staff	10

To undertake the Environmental Studies Field Work which is a part of the new EVS Syllabus in Savitribai Phule Pune University (S. Y. B. Pharm), a visit was organized by the LSDP mandavgan College Campus to inamgaon village & inamgaon river side, Pune on 30/10/2018, Saturday. Inamgaon village & inamgaon river side is a small settlement that lies to the North of Mandavgan, off ashtvinyak highway. A total number of 109 students were taken for the Environment field work. This group consisted of Second Year B.Pharm students from our college. General. This group was placed under the charge of 03 teachers from the respective departments. EAST is an organization set up under the Bombay Societies Act, 1950 . We believe that today's communities need to change their lifestyles if they wish that their future generations survive. We believe that this transformation, which has to be sustainable, can occur by appropriate and adequate environmental action. This action is brought about, to being with, environmental education. EAST delivers environmental education at school and college level and has started this from their home city of Pune. The students and the teachers were accommodated in 2 buses. The journey to inamgaon from the College premises at about 8:15 am and reached the destination at 9:00 am, i.e. in one- hours. The route taken to inamgaon was the following - LSDP mandavgan - Check Post - mandavgan to inamgaon route and the Inamgaon village . The students of the LSDPCOP mandavgan were taken to Inamgaon and Inamgaon river area for field work.

The focus of the field work was on various environmental issues in the region and sensitizing the students to such issues. The students were very enthusiastic about the field work and later presented detailed field work reports which were during the viva voice exams. All the arrangement and guidance were provided by the EAST Representative Mr. Pritam bhore.

Field visit

The students were provided with field observation sheet which they have to fill by their own observation on the field. The detailed observation sheet will be submitted along with the project for examination purpose. Various themes covered during the field work like Forest ecosystem, aquatic ecosystems, food chains, food webs, community conservation methods, Devrais, threatened species conservation, Urbanization and development, Agriculture etc. Fish farming or culture involves raising fish commercially in tanks or enclosures such as fish ponds, usually for food.

Worldwide the most important fish species produced in fish farming are Carp, Tilapia, Salmon and Catfish etc. After the study, food was served which was cooked there itself. Following the lunch students enjoyed as arrangements for the music was also there. By 6:00 pm the trip ended and the buses returned to the campus. The event went well and it was a great learning experience for the students.

INDUSTRIAL VISIT REPORT OF THE ACTIVITY

Venue	JP Laboratories private limited , Unit (I)A-76, (II)A-82/83,MIDC, Chemical zone , Kurkumbh ,MIDC , Pune , Maharashtra .
Date	04/04/2023
Collaborating agency	LSDP with Tulip Laboratories private limited
No. of student participated	112
No. of Teaching Staff	05

Name & Designation of Person conducting visit: Mr. Kiran Kale,

Industrial visit was carried out at JP Laboratories private limited , Unit (I)A-76, (II)A-82/83,MIDC, Chemical zone , Kurkumbh ,MIDC , Pune , Maharashtra . 4th April 2023 especially for first year students. The main objective behind the visit was to make student aware about how various activities related to Production, Quality control, Quality Assurance and Regulatory Affairs carried out in company and give them feel of Officer as soon as they finish there course. I along with **112** students left for visit at 9.30 a.m. and took about four hour to cover the distance. The company is located in Kurkumbh MIDC. As soon as we reached company we were guided by Mr. Kiran Kale to canteen for breakfast where an orientation of company was given by heads of production department about history and how company was established. It was great to know that company follows Japanese principal of equality among all the level of employees in company because of which they have same dress code and same canteen right from higher level managerial team to lower level workers. We found even canteen employees in same dress. Company follows principle of "People before Product" which was clearly visible from safety measures taken by company and other policies.

The conception of this philosophy is derived from the core objective of the company – „To Contribute to the Society“. After introduction all students were divided in four groups of 15 students and were headed by one manager of company who helped them to understand how production is carried out in company. Maximum production in company is carried out by means of machinery subdivide in various activities like inception of raw material, mixing process, making jackets, tablet compression machine , covering the product and then converting it into finished goods.

Industrial visit

Finally Finished Products are packed and are sealed where production batch no is embossed for its future verification required. Company defective ratio is less than 1 percent which shows the how effective company works. We took almost two hour to see complete set of production which was followed by questions of students. I appreciate staff member who guided students with each and every question with detailed answers. It is rightly said that “See & know” is better than „read & learn“. Students have got real feel of company"s working after this visit. They got a chance to transfer their theoretical knowledge to practical implication.

WORLD CANCER DAY REPORT

Venue	Loknete shree Dadapatil pharate college of pharmacy, Mandavgan Pharata
Date	04/02/2023
Collaborating agency	LSDP With Pharate patil Multisuper Speciality Auyrvedic Hospital
No. of student participated	90
No. of Teaching Staff	06

World Cancer Day was celebrated on 4th of February 2023 in Loknete Shri Dadapatil Pharate College of Pharmacy A/p-Mandavgan Pharata, Tal-Shirur, Dist-Pune. World Cancer Day is the one singular initiative under which the entire world can unite together in the fight against the global cancer epidemic. The theme for 2023 is "I am and I will". The objective of the event was Support cancer patients and survivors with the physical and emotional impacts of cancer even after treatment ends. Other objective is to prevent the cancer and give awareness to society about cancer. Prof. V. B. Khatal was showed videos for the causes and treatment of cancer disease. Principal Dr. H.V.Kamble, interacted with the students highlighted the importance of celebrating days like cancer Day to create awareness about healthcare issues in the society. He discussed the following points about how to prevent the cancer from society -

- Call on government leaders to commit adequate resources to reduce cancer deaths and provide a better quality of life for patients and survivors
- Educate themselves and others about the link between certain lifestyle behaviors – including smoking, poor diet, and lack of physical activity – and cancer risk.
- Dispel rumors and myths that lead to stigma and discrimination against people with cancer in some communities.
- Encourage schools and workplaces to implement nutrition, physical activity, and anti-smoking policies that help people adopt healthy habits for life.

WORLD PHARMACIST DAY REPORT

Venue	Loknete shree Dadapatil pharate college of pharmacy, Mandavgan Pharata
Date	25/09/2022
Collaborating agency	LSDP With Pharmacy Council of India
No. of student participated	270
No. of Teaching Staff	20

World Pharmacist Day was celebrated on 25th September 2021. "Pharmacists: Your Medicine Experts" is the theme for this year. The objective of the event was to create awareness about safe medicine. International Pharmaceutical Federation (FIP) encourages pharmacists to use this day to organize activities that promote and advocate for the role of the pharmacist in improving health in every corner of the world. The theme of World Pharmacists Day emphasizes that pharmacists are a trusted source of knowledge and advice, not only for patients but for other healthcare professionals. For every patient who walks into a pharmacy, pharmacists ensure that the right medicine is provided at the right dose and in the most suitable formulation. Students were visited Pharmacist in Mandavgan pharata area for Pharmacy Survey about "Awareness Campaign on Safe Use of Medicines". They Request to Pharmacist not to sale Medicines without prescription. They also gave the information about banned drugs and its formulations. Pharmacist Rally for all B. Pharm students from college to Wagheshwar temple, Mandavgan pharata, Pune at 9.30 am to 10.30 am was arranged on that day.

FIELD VISIT REPORT

Venue	A/P- Ramdhara Temple, Dist-Pune
Date	29/10/2021
Collaborating agency	LSDP With Pharate patil Multisuper Speciality Auyrvedic Hospital , Mandavgan Pharata
No. of student participated	40
No. of Teaching Staff	05

To undertake the Environmental Studies Field Work which is a part of the new EVS Syllabus in Savitribai Phule Pune University (S.Y.B.Pharm), a visit was organised by the LSDP College campus to Ramdhara Temple and Govt. Fish Farm, Hadapsar, Pune on 29/10/2021, Friday. Ramdhara Temple is a small settlement that lies to the east of Saswad, off NH09. A total number of 62 students were taken for the Environment field work. This group consisted of Second Year B.Pharm students from our college. General. This group was placed under the charge of 03 teachers from the respective departments.

EAST is a an organization set up under the Bombay Societies Act, 1950. We believe that today's communities need to change their lifestyles if they wish that their future generations survive. We believe that this transformation, which has to be sustainable, can occur by appropriate and adequate environmental action. This action is brought about, to being with, environmental education. EAST delivers environmental education at school and college level and has started this from their home city of Pune. The students and the teachers were accommodated in 2 buses. The journey to Ramdhara Temple from the College premises at about 8:15 am and reached the destination at 10:30 am, i.e. in two-hours and 15 Minutes. The focus of the field work was on various environmental issues in the region and sensitizing the students to such issues.

The students were very enthusiastic about the field work and later presented detailed field work reports which were during the viva voce exams. All the arrangement and guidance were provided by the EAST Representative Mr. A.V. Dhobale. The students were provided with field observation sheet which they have to fill by their own observation on the field. The detailed observation sheet will be submitted along with the project for examination purpose. Various themes covered during the field work like Forest ecosystem, aquatic ecosystems, food chains, food webs, community conservation methods, Devrais, threatened species conservation, Urbanization and development, Agriculture etc. Fish farming or culture involves raising fish commercially in tanks or enclosures such as fish ponds, usually for food. Worldwide the most important fish species produced in fish farming are Carp, Tilapia, Salmon and Catfish etc. Ramdhara is a temple built near Ioni in the 1970's on the ruins of an ancient temple.

The main shrine is that of Shiva, but the temple is renowned for the idols of Ram, Laksman and Sita. Next to the temple is also an ashram of Shri Devipuri Maharaj also known as Dhund iBaba. There is a small pond next to the temple. The temple complex is surrounded by thick vegetation and is home to many different types of birds. After the study, food was served which was cooked there itself. Following the lunch students enjoyed as arrangements for the music was also there. By 8:00 pm the trip ended and the buses returned to the campus. The event went well and it was a great learning experience for the students.

**“AWARENESS RALLY ON SAFE USE OF MEDICINES” ON WORLD
PHARMACIST DAY “**

Venue	Madavgan pharata,pune
Day & Date:	25th September 2019
Collaborating Agency	LSDP with Pharmacy Council Of India
No. of Students	250
No. of Teaching Staff	15

World Pharmacist Day was celebrated on 25th September 2019. "Pharmacists: Your Medicine Experts" is the theme for this year. The objective of the event was to create awareness about safe medicine. International Pharmaceutical Federation (FIP) encourages pharmacists to use this day to organize activities that promote and advocate for the role of the pharmacist in improving health in every corner of the world. The theme of World Pharmacists Day emphasizes that pharmacists are a trusted source of knowledge and advice, not only for patients but for other healthcare professionals. For every patient who walks into a pharmacy, pharmacists ensure that the right medicine is provided at the right dose and in the most suitable formulation. Students were visited Pharmacist in Mandavgan pharata area for Pharmacy Survey about "Awareness Campaign on Safe Use of Medicines". They Request to Pharmacist not to sale Medicines without prescription. They also gave the information about banned drugs and its formulations. Pharmacist Rally for all B. Pharm students from college to Wagheshwar temple, Mandavgan pharata, Pune at 9.30 am to 10.30 am was arranged on that day.

INTERNATIONAL WOMAN'S DAY REPORT

Venue	LSDP College campus
Day & Date:	08/03/2020 Friday
Collaborating Agency	LSDP with Savitribai Phule Pune University
No. of Students	60
No. of Teaching Staff	08

- The Theme for international women's day is "Balance for Better". This day was celebrated for Achieving a gender-equal world requires social innovations that work for both women and men and leave no one behind.
- The International Women's day was celebrated on Friday, 08/03/2020 in auditorium all at 03.30 pm.
- On occasion of international woman's day, Prof.Surekha Deshmukh was invited for delivered a lecture on topic on Woman Issue- Human Rights and Legal Perspective. There is the discussion about; Achievement and skill pointed out by woman nowadays make us consider that women and men are not differing much. It is seen by leadership and roles of women in various areas.
- She told about, Achievement and skill pointed out by woman nowadays make us consider that women and men are not differing much. When time goes by, point of view toward women, from which women deserved to keep the house only and stayed at home all the time while men had to work outside to the current development when emancipation arises, makes women get equal rights to men. It is seen by leadership and roles of women in various areas.
- International woman's day concluded with National Anthem.

HEALTH CHEAKUP CAMP REPORT

Venue	A/P-Inamgaon, Tal- Shirur, Dist-Pune
Date:	28/01/2019
Collaborating Agency	LSDP With Pharate patil Auyrvedic multisuperspeciality hospital, Mandavgan Pharata.
No. of Students	60
No. of Teaching Staff	10

- A. Introduction: These camps also ensure provision of timely referral services to the patients for further or specialized care. The aim of the NSS special camp is to educate the people and empower them. Free medical camps are set up with a sacred aim to bring awareness amongst the deprived population of the country who have no access to basic healthcare services or knowledge about the diseases they are suffering from. So on the occasion of National Service Scheme.
- B. Theme: Health is a state of complete physical, mental and social well-being.
- C. Significance: Comprehensive Care' for the Health & Well-being of all.
- D. Conduction: The NSS Unit of institute has organized the health check-up camp at A/P-Inamgaon, Tal- Shirur ,Dist-Pune collaboration With Pharate patil Auyrvedic multisuperspeciality hospital, Mandavgan Pharata. The peoples of the village were subjected to routine health check-up and medicines were distributed among the people in the health check-up camp. A total of 275-300 patients got the benefits of the free camp. The free health checkup include blood pressure, hemoglobin, blood group thyroid level, calcium level sugar level in the body and weight which was totally free and the villager has taken the maximum benefit of the health camp. The patients above 40 years were screened for Diabetes, Hypertension and cardiovascular diseases using ECG. They were given treatment on spot with the help of specialists from General Medicine.

- E. Guest Details: Campus Director Shri. Sangram Rajedhavde and Principal Dr.M.K.Shirsat were present for the camp.
- F. Students & Faculty response & participation: In totality, 60 students & 10 Faculty were participated.
- G. Outcome: Getting the right type of health check-up is important and while considering it, certain factors like age, lifestyle, family history, and risks should be taken into account. Regular health examinations and tests help detect problems before they start. Opting for a right health check-up, screenings, and treatments means one is taking steps to help one live longer and healthier life.

INDUSTRIAL VISIT REPORT

Venue	M.i.d.c Ranjangaon
Day & Date:	04/04/2019
Collaborating Agency	LSDP With Tulip Laboratories private limited
No. of Students	98
No. of Teaching Staff	5

- Industrial visit was carried out at Tulip Laboratories private limited , Plot No-f-20 21 M.i.d.c Ranjangaon Off Nagar Road Taluka Shirud Near Jatun Company – 412220 , Pune , Maharashtra . 4th April 2019 especially for first year students. The main objective behind the visit was to make student aware about how various activities related to Production, Quality control, Quality Assurance and Regulatory Affairs carried out in company and give them feel of Officer as soon as they finish there course. I along with **92** students left for visit at 9.00 a.m. and took about four hour to cover the distance. The company is located in Ranjangaon MIDC. As soon as we reached company we were guided by Mr. santosh Kadam to canteen for breakfast where an orientation of company was given by heads of production department about history and how company was established. It was great to know that company follows Japanese principal of equality among all the level of employees in company because of which they have same dress code and same canteen right from higher level managerial team to lower level workers. We found even canteen employees in same dress. Company follows principle of “People before Product” which was clearly visible from safety measures taken by company and other policies. The conception of this philosophy is derived from the core objective of the company – „To Contribute to the Society“.

- After introduction all students were divided in four groups of 15 students and were headed by one manager of company who helped them to understand how production is carried out in company. Maximum production in company is carried out by means of machinery subdivide in various activities like inception of raw material, mixing process, making jackets, tablet compression machine , covering the product and then converting it into finished goods.
- Finally Finished Products are packed and are sealed where production batch no is embossed for its future verification required. Company defective ratio is less than 1 percent which shows the how effective company works. We took almost two hour to see complete set of production which was followed by questions of students. I appreciate staff member who guided students with each and every question with detailed answers. It is rightly said that "See & know" is better than „read & learn". Students have got real feel of company"s working after this visit. They got a chance to transfer their theoretical knowledge to practical implication. This will even help students to understand subject matter clearly in future also Me along with student would like to extend our gratitude to company for permission and support. They gave to make our visit a success with accomplishment of objective and our principal for arranging this visit for our student.
