Introduction to Alumni association :

Alumni association of Loknete Shri Dadapatil Pharate College of Pharmacy, Mandavgan Pharata is a registered body working for the development of students and the college. It was established during year 2015 as per the by laws of the association. Alumni association was officially registered in 2022 (Reg. No. Maha/1737/2022/Pune) and consists of Ten members which includes president, vice president, secretary, joint secretary, treasurer and members.

The Association takes efforts to increase the number of active and engaged alumni through the addition of events, receptions and reunions. These kinds of activities foster donor prospects, involve present and prospective members, and reach out to Alumni students who might not have previously been touched by the college's influence. The alumni organisation has about 500 officially registered students. Improving communication between Alumni students, the community, and the college is the goal. The college has created an online alumni portal that enables current students to connect with alumni throughout the globe and get career coaching assistance. Alumni make substantial financial and nonfinancial contributions to the Institute's growth.
