SHORT FILM ON GENDER EQUALITY “MUSKAAN”

Name of Activity	Date	Time	Venue	No. of Students Present/Participated
Short Film On Gender Equality “Muskaan”	23/01/2019	10:00 Am To 1:00 Pm	Seminar Hall , LSDPCOP	121

SWGP's Pharate Group of Institutes, organized Gender Equality Programme under which students were informed about awareness of gender sensitization in the form of short film on date 23/01/2019. Total 121 students were attended this Programme. The objective of the short film was to highlight the menace of Sex Selective abortions prevailing in the society. The students highlighted that, in spite of over six decades of Independence, in spite of India making rapid progress in science, technology and other fields, the picture that we see of India as of now is not one that can be appreciated, especially in terms of its treatment to the fairer sex. Some states in India like kerala, Tamilnadu are having appreciable male to female ration but some states are unaware about it. The practice of female foeticide, which is illegal, is still prevalent in our country. Discrimination against girl children, parents' neglect of the girl child, illegal abortions and female infanticide are clear instances of this. This short film demonstrated that girl child/women's should be treated equally in social, educational, economic and all other aspects of society

Presentation On Government Schemes, Short Film & Public Helpline	28th October 2019	10:00 Am To 1:00 Pm	Seminar Hall, LSDPCOP	97

LSDP Auditorium 97 Our college has organized one presentation related to Government schemes, Short Film & phone numbers of Public helpline on 28th October 2019, to promote gender equality. Total 97 students were present for this programme. The Government has launched various schemes which directly benefit women. The 'Beti Bachao, Beti Padhao Yojana initiated in 2015, targets 100 districts across the country which has a low child sex ratio (either below the national average of 918 girls to 1000 boys, or above this average but declining). This is helpful in creating awareness about such Government schemes in students as well as society. Similarly the students highlighted about some help line numbers. For anti-women issues Police has taken many initiatives to tackle social evils like eve teasing, stalking, domestic violence etc. Affected women or persons can approach a designated cell known as 'We Care for You' and 'Women Helpline'. College has also showed one short film 'Dangal'. This movie shows the potential of outcomes when girls are believed to be equal to boys. Parents believe in gender equality and provide girls equal opportunities and choices. This activity demonstrated that girl child/women's should be treated equally in society.
